Sarah Appleton
2022-2023

Dear Families,

I want to take this opportunity to introduce myself and welcome you and your child to Bennett-Kew P-8 Leadership Academy. My Name is Sarah Appleton. I have been a teacher for the Inglewood Unified School District for the past year. I've been an educator for 16 years. I have really enjoyed being a middle school teacher this school year, and getting to know this wonderful school community. I am honored to have been chosen as the new Principal for Bennett-Kew P-8 Leadership Academy of Excellence.

We want to welcome you to Bennett-Kew School. As the principal, my goal is to work with the teachers, students, and staff in providing quality education, setting high expectations, and creating a caring environment for members of our school community.

The students are why we are here! They are not only excelling academically, but are also learning about respect, leadership, ethical values, and social-emotional skills, which we at Bennett-Kew School consider to be equally important. We strive to create a school community environment where students feel safe, comfortable, and respected.

The mission of Bennett-Kew is to provide rigorous and equitable experiences to close the achievement gap. It is our belief that this can be accomplished by building personal relationships with our students, teachers, and the school community. By learning from and understanding the cultural differences that make up our school culture, we at Bennett-Kew can move forward through thoughtful planning, maintenance of effective curriculum, and creation of new programs and powerful partnerships with both parents and community members. It is our belief that parents play a critical role in the success of our students and together we can focus on motivating students through an enjoyment and appreciation of learning.

I welcome you to find out more about our wonderful school community. Please feel free to call, email me, or stop by anytime; my door is always open.

Sincerely,

Sarah Appleton

2022-2023

Queridas familias,

Quiero aprovechar esta oportunidad para presentarme y darle la bienvenida a usted y a su hijo a la Academia de Liderazgo Bennett-Kew P-8. Mi nombre es Sara Appleton y he sido maestra del Distrito Escolar Unificado de Inglewood durante el último año más he sido educadora durante 16 años. He disfrutado mucho ser maestra de secundaria este año escolar y conocer esta maravillosa comunidad escolar. Me siento honrada de haber sido elegida como la nueva Directora de la Academia de Liderazgo y de Excelencia Bennett-Kew P-8.

Queremos darle la bienvenida a usted en la Escuela Bennett-Kew y como directora, mi objetivo es trabajar con los maestros, los estudiantes y el personal para brindar una educación de calidad, establecer altas expectativas y crear un entorno solidario para los miembros de nuestra comunidad escolar.

¡Los estudiantes son la razón por la que estamos aquí! No solo están sobresaliendo académicamente, sino que también están aprendiendo sobre el respeto, el liderazgo, los valores éticos y las habilidades socioemocionales, que en la Escuela Bennett-Kew consideramos igualmente importantes. Nos esforzamos por crear un ambiente de comunidad escolar donde los estudiantes se sientan seguros, cómodos y respetados.

La misión de Bennett-Kew es brindar experiencias rigurosas y equitativas para cerrar la brecha de logros. Creemos que esto se puede lograr mediante la construcción de relaciones personales con nuestros estudiantes, maestros y la comunidad escolar. Al aprender y comprender las diferencias culturales que conforman nuestra cultura escolar, en Bennett-Kew podemos avanzar a través de una planificación cuidadosa, el mantenimiento de un plan de estudios efectivo y la creación de nuevos programas y asociaciones poderosas con los padres y los miembros de la comunidad. Creemos que los padres juegan un papel crítico en el éxito de nuestros estudiantes y juntos podemos enfocarnos en motivar a los estudiantes a través del disfrute y la apreciación del aprendizaje.

Los invito a conocer más acerca de nuestra maravillosa comunidad escolar y no dude en llamarme, enviarme un correo electrónico o visitarme en cualquier momento; mi puerta siempre está abierta.

Sinceramente,

Sara Appleton
